Registration will be from 1:00 PM until 1:45 PM on the day of event (Labor Day Monday). Ribbons and trophies will be given. Show is at 2:00 PM in the barn.

Rules

1. All dogs must be in good health and have all appropriate shots and vaccinations.
2. Proof of current rabies vaccination is required, along with a valid dog license.
3. Owners are responsible for their dog's safety and actions while on the fairgrounds. All dogs must be on a leash and controlled by their owner or handler.
4. Dogs may be entered in only one class.
5. **One handler per dog, per class.** Owners may enter more than one dog per class, but only one handler per dog in each class. Example A: one owner has a Doberman, a Pug and 3 Greyhounds. All dogs may be entered in their correct class, but since the grey hounds are in the same class (hound-sight or scent), each Greyhound must have a different handler. Example B: one owner has a Doberman, a Rottweiler, and a German Shepherd, again all dogs may be entered, but since are in the same class (working go herding or protections), each must have a different handler.
6. Judge reserves the right to divide, combine, or add classes depending upon the number and type of dogs shown.
7. Normal fairgrounds admission fees apply.
8. This is an amateur show and NOT a POINTS SHOW. No professional handler is needed. The owner or anyone you wish may show dog.
9. **No puppies under the age of three months** may be entered.
